

I send you the final program for the Tempus Symposium that will take place at TEI of Athens next Monday.

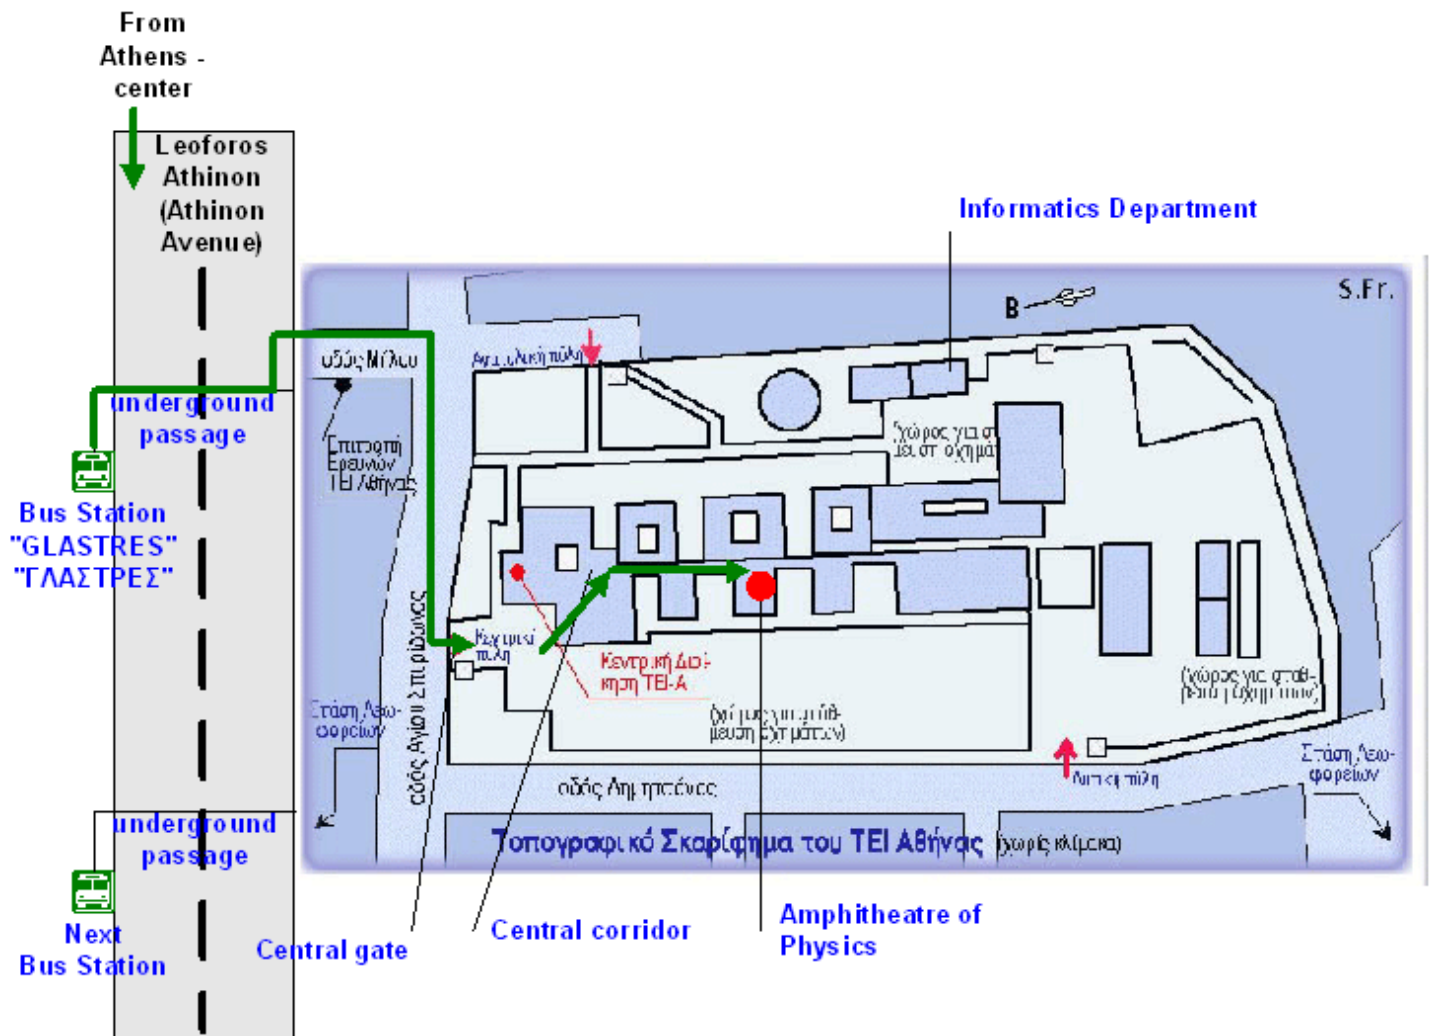

For those that will use the bus, the bus lines are B15 and A15 and you will find them at the station ΜΕΤΑΧΟΥΡΓΕΙΟ. It is also a ΜΕΤΡΟ station (line 2 –red line).

The following map shows all the metro stations. You can verify the station ΜΕΤΑΧΟΥΡΓΕΙΟ is the next station from ΟΜΟΝΟΙΑ, which is the central place of Athens

The bus station near TEI is called "GLASTRES". If you miss it, you can stop at the next one. The following map is a local one around TEI and shows you the way from the bus station to the Central gate of TEI.

I advise you to ask for a map of Athens when you arrive at our airport.

A taxi from the Athens-center to TEI cost 4-5 euros.

The Symposium begins at 9.00 am. There will be someone expecting you at 08:45-09.00 am at the CENTRAL GATE of TEI. In case you are late, you can ask the guardian to show you the way to the amphitheatre of Physics and there will be also some posters with directional information.

If you have any questions, do not hesitate to ask me.
